We hope you are planning to join the **Rappahannock Music Society** for our 2022-2023 music year. The Planning Committee and Officers have put together a year of great activities that will benefit teachers, students, and music lovers. We hope that you will join us in celebrating music during the upcoming year. As you can see, we offer many opportunities and events for all of our members.

If you are a teacher and plan to enter students in the VFMC Junior Music Festival in Manassas, it is less expensive to join our Rappahannock Music Society than it is to become a Senior Individual Member. Furthermore, you will have many activities available for your students. We hope to hear from you soon!
